SUPER SOUL EVENTS – We are super excited to be presenting a Super Soul event each month.

Next in our series is events is sold-out Super Soul Saturday on Saturday 13th August with International Psychic Medium Clairvoyants Marcia Quinton and Imelda Penny. Marcia and Imelda create a bridge between the two worlds and through this link are able to communicate with loved ones which provides opportunity for spirit to bring evidence and assistance to their loved ones in life.

Marcia & Imelda believes that not only does spirit provide evidence of its existence but it brings love, and provides encouragement, advice, help and support during situations in their loved ones lives here on earth.

Scheduled for Saturday 10th September is the next in our series of Super Soul Connection Sessions – you can book a 45 minute one-on-one session with one of our highly accomplished mediums. Be quick if you don't want to miss out. Better still, become a church member for discounted tickets and advance warning when tickets go on sale.

Church members, watch your email inbox for advance warning when events are released for booking, or follow us on Facebook for the link. See page 4 for more information on the benefits of being a member and how to join.

Laugh!

Laugh until it aches,
Laugh yourself silly,
Until you go dizzy,

And feel what a difference it makes!

Message from The President

Hi members and friends, well spring is nearly upon us, although with the frosty mornings and rain, it feels a long way away. Spring is a time to clean out, not only our homes, but our bodies and minds to start afresh, so to speak. A time to look at the objectives of Spiritualism.

Spiritualism teaches that you are responsible for your life and that life should be lived with the aim 'do unto others as you would have them do unto you'. Spiritualism endeavours to remove all fear of death from the human mind by demonstrating that death is not the ceasing of life, but merely a doorway into a new life. Spiritualism teaches that the spark of Divinity is within us all, that we are all a part of God. Spiritualism teaches that wrong doing and mistakes must be overcome and outgrown, that every spirit can make progress and correct their mistakes so that eventually every spirit will want to do nothing but good. Spiritualism teaches that we are not a physical body that contains a soul, but we are spirit who happens to be using a physical body at the moment.

So as we enter Springtime on the 1st of September, the time of renewal, look inward to the self to renew and the same of your fellow man and woman...

What is happening in the sky? (for all signs)

AUGUST/SEPTEMBER - Happy birthday Leo, Virgo and Libra!

August begins with the Sun in Leo. This is a time of playfulness and fun. The energy supports you to tap into your creative side during this time. The Sun moves into Virgo on August 23rd, bringing a more introspective energy. Use this time to connect to mother earth and create order to any areas of life that are feeling chaotic.

August 12th brings the Full Moon in Aquarius. During this time we are asked to reflect on humanity and what's going on in the world. Use the releasing energy of this Moon to rid the world of disease and conflict and embrace peace for all.

August 27th brings the New Moon in Virgo. During this time, use the energy of this New Moon to start a new routine that will ensure your life flows smoothly. Virgo rules over the angelic realm, so use this time to start to work with these beautiful beings.

The Full Moon in Pisces occurs on September 10th. This is an extremely spiritual moon, so take some time out for quiet self-reflection. Notice what comes up to be released. Also on September the 10th, Mercury, planet of communication, goes retrograde. Use this time to journal, putting thoughts into words. Make plans, record ideas and be ready to share them when Mercury goes direct in October.

The New Moon in Libra occurs on September 26th, bringing with it the energy for new relationships and connections.

CHURCH MEMBERSHIP

Are you a MEMBER of our church? If so, you might have noticed we are increasing our benefits to our members. We are a 'not for profit' organisation, that relies on donations and membership fees for the upkeep and running costs of our beautiful little church.

HOW MUCH? Membership is \$10.00 per year and benefits include:

- Extensive library: Our library is filled with many and varied spiritual books, lots of which are now out of print and unavailable - Members may borrow from our Library.
- Advance notice: Church members receive an email from us with the link to our Super Soul events 48 hours before the link is shared with the public on our Facebook page.

Would you like to have your say? Members are encouraged to stand to join our Committee at our AGM (usually held in October each year). Our committee meet once per month and are instrumental in planning and organising our special and regular weekly events.

Why not join? It is as easy as filling in a Membership Form and submitting it next time you are at church, the facilitator of your event will be able to assist you.
